We extend very warm welcome to all the students and their families and to the families who are already a part of Eklavya Public School with our prospectus, which is designed to give you a realistic sneak peak into our school.

Choosing the right school for your child is vitally important. Most parents want an excellent education for their children but they also want them to be happy and to feel safe and secure. At Eklavya Public School, we believe we can offer all these things.

We have a strong early year preparatory program in literacy and numeracy which helps the students to develop inquisitive learning. Building on from the skill development in the early years, all programs cater for gifted and talented students on a daily basis.

We cultivate fearless, curious learning, creative environment, where students are more engaged and purposeful in every moment.

Students leave our school with clear, strong and thoughtful voices, prepared for lives of meaning and accomplishment.

Parents engagement forms an integral part of the echos at Eklavya Public School, and interactions take place on regular basis with the senior leadership team of the school.

Education values every child needs to learn:

- Be Compassionate
- Persist till you achieve it
- Discipline is the key to success
- Be Clean, Be Healthy
- Be Polite and Softspoken

7 ways to learn faster:

- Use multiple learning methods
- Do one task at a time
- Test yourself regularly
- Reward yourself
- Turn words into imagination
- Teach others
- Socialize and share

ABOUT US

Competition is everywhere and it is becoming tougher with each passing day. Many a times, the dreams of students who wish to become a doctor or an engineer or to be a successful professional remain a dream because of the lack of proper guidance. If they are mentored in the right way for the competitive exams, success be theirs.

With the view of helping to realise the dreams of thousands of students, we started Eklavya Public School in the year 2017.

Eklavya Public School (EPS) is registered under Government of Arunachal Pradesh with Registration No.: EEDA/36/2015-16. The school is situated at Hokka village, Jollang, Itanagar.

Our aim is to make (our) child feel confident and relaxed. We focus on the development of a student as a whole from social, emotional, spiritual, physical and cultural need alongside the academic and the intellectual progress. The driving force of what we do comes from knowing our students their needs, characteristics and well being. As our attention is focused on who we teach, it is from this point that our decisions flows.

VISION : Develop values, and inner potential to make child "Future-Ready".

- (a) Values - We focus on being honest, enthusiastic learning, forgiving and making a vast differences.
- (b) Potential - We identify and activate students strength by involving students in academic, sports and extra curriculum activities.
- (c) Future Ready - We develop language, mental, emotional and spiritual knowledge among the students so that they will develop enough courage to deal with their future goals.

CURRICULUM : EPS promise to provide the best academic supplements to the students. There will be regular updation of curriculum in order to make sure that the students are well equip with knowledge and excel out together with the rest of the state and nation in particular.
